## Trump: North Korea Kim is 'honourable'

US President Donald Trump says North Korea wants to hold a high-stakes meeting "as soon as possible" as he praised Kim Jong-un as "very open" and "very honourable".

Trump was addressing his upcoming plans to meet with the North Korean leader during his discussions at the White House with French President Emmanuel Macron.

Mr Trump's praise for the North Korean dictator stands in stark contrast to his past comments in which he referred to Kim as "Little Rocket Man".

The Trump-Kim meeting is expected in May or June.

Meanwhile, South Korean President Moon Jae-in is meeting Kim on Friday.

## Hero dog fights off machete gang

A WOMAN has been saved from violent intruders – including one wielding a machete – by her dog.

The 20-year-old victim was pushed to the floor and kicked a number of times in the incident on April 13, police in Derbyshire said.

She was attacked by three men when she opened the back door of her home in Derby.

They forced their way in and threatened her with a machete before her dog sprang into action.

One of the men threw a dining room chair at the victim but she managed to escape through the back door.

The dog suffered a cut to the nose in the incident but nothing was stolen from the house, police confirmed.

**THE van driver who killed 10 people when he mowed down pedestrians in Toronto did so because he couldn't find anyone to have sex with.**

Posts by Alek Minassian, 25, paint a picture of an angry young man, who was furious that women rejected his sexual advances.

In one Facebook status it's reported he refers to himself as an "incel" – a man who is celibate because women refuse to sleep with them.

Another praises mass murderer Elliot Rodger, who was 22 when he killed six people in a knife, gun and car rampage in California in 2014.

The post said: "The Incel Rebellion has already begun! We will overthrow all the Chads and Stacys! All hail the Supreme Gentleman Elliot Rodger!"

Meanwhile, the first of his alleged victims has been named as Anne Marie D'Amico, an employee at Invesco investment firm, which has its headquarters on Yonge Street, Toronto – the same street where the attack occurred.

In the incident 15

The suspect made his first court appearance yesterday wearing a white jumpsuit with his hands cuffed behind him. He was charged with 10 counts of first degree murder and 13 of attempted murder.

The judge ordered

him detained without bond and scheduled the next hearing for May 10.

### Deadliest

Minassian appeared in court as Canadian authorities and the public sought to make sense of what appeared to be one of the deadliest mass murders

in the country's modern history.

Police, meanwhile, still appeared to be gathering evidence. About 20 officers made their way down the van's deadly path on Yonge Street searching for any evidence.

Nearby, mourners had put together a

"It was like he was playing a video game, trying to kill as many people as possible," said Panna Patel, 42, who stopped by the memorial and had been at the scene a day earlier, getting cash from an ATM as it occurred.

"He was looking people directly in the eye, making eye contact,

it was so scary. He wasn't remorseful at all."

Witness Phil Zullo said that he saw police arresting the suspect and people "strewn all over the road" where the incident occurred.

"I must have seen about five, six people being resuscitated by bystanders and by ambulance drivers," Mr Zullo said. "It was awful. Brutal."

## ROB 'SORRY' FOR 'THICK TWAT' DIG

PEEP Show actor Robert Webb has apologised to broadcaster Julia Hartley-Brewer after he labelled her a "thick Oxford twat".

Robert (left) had responded to the radio presenter's claims that she "didn't go to Oxford because I was privileged. I went to Oxford because I was clever", as part of a debate about Oxbridge admissions and class privilege.

In a post that has since been deleted on Twitter, Webb said: "I didn't go to Cambridge because I was clever. I went because I was a white male from a stable family

who encouraged me to work hard at an excellent state school.

"That's all privilege. All of it. You thick Oxford twat."

He later sent a tweet to Julia: "The target of a rude joke isn't always going to enjoy it."

"If my intention was just 'abuse' then I'd have tagged you in. The RTs got out of hand which is why I deleted it."

The broadcaster responded: "You could just say sorry. Us thickies are easily pleased."

The comedian then replied: "I apologise. Sorry Julia."

**SHOCK

**TELLY fans tuning into Loose Women yesterday would have been stunned to see what looked like Kelly Brook sucking off Nigel Farage just before the lunchtime news!**

But don't worry – it's not what it seemed at first glance.

The stunner was simply blowing a raspberry on Nige's belly!

The unusual moment came after fellow *Loose Woman* Janet Street-Porter, 71, said she wanted to cleanse the ex-UKIP boss's 'chakra' – some heathen nonsense – as she disagrees with what he says.

Kelly, 38, then walked in front of the former UKIP leader and said: 'I think the problem area is here,' as she pointed to around his tummy area.

The audience whooped and cheered at the very cheeky moment before

Kelly asked Nigel, 54, to pull up his top.

He started unbuttoning his shirt as she suddenly jumped down and blew a giant raspberry on his tummy.

The politician, who is known to have an eye for the ladies, beamed like a Jack Russell getting its bollocks tickled.

One *Loose Women* fan said: "I switched on late on Tuesday and saw Kelly Brook's head at Nigel Farage's crotch. I thought, 'What the hell is this?'"

## Zlat: Call Sweden after me!

FOOTBALL superstar Zlatan Ibrahimovic reckons Sweden will rename their country after him, because they LOVE him so much.

Zlatan, 36 (above), who signed for LA Galaxy last month, said his home country can't get enough of him and the modest striker claimed they'll soon be calling the country 'Zlatan' on maps.

Talking about his popularity levels back home, he said: "I don't think you can measure how popular I am."

"I am Sweden. They will even change the name to my name on the map. When you navigate in Sweden, you don't write 'Sweden', you write 'Zlatan'."

When he signed for the Los Angeles team, he announced his arrival by taking out a full-page advert in the *Los Angeles Times* which said: "Los Angeles, you're welcome."

And when asked which Hollywood star he'd like to meet, he replied: "Me...I don't want to meet nobody. They want to meet me."

## Porn is 'useful' for sex lessons

A FIFTH of young people are likely to take their sex education from pornography rather than from their teachers.

The results of a new survey found that one in five youths found porn "useful" in their sexual education.

In comparison, only one in 100 found that they received useful sex education from their teachers in schools.

The data was obtained from the Positive Sexual Relationships Report, which had 1,056 respondents between the ages of 14 and 24.

Of the 20 per cent who said they found useful information about sex from pornography, boys were five times more likely to report learning sex that way than girls.

The report also found boys were more confident in talking about sex with parents or teachers.

# PREM STAR FACES JAIL OVER FIGHT IN BAR

A YOUNG Premier League star has admitted affray after a melee involving him, his mum and friends erupted with a separate group in a nightclub's VIP area.

Bottles were thrown and weapons used when Newcastle United winger Rolando Aarons, 22, and members of his family and friends clashed with at least five men in the trendy Livello bar on Newcastle's Quayside.

The England under-20 player, his mother Joan Jacob, 46, and four others were originally charged with violent disorder but the prosecution accepted their guilty pleas to the lesser charge of affray.

## Violence

Judge Edward Bindloss, sitting at Newcastle Crown Court, warned jail was a possibility and said the 90-second brawl at 2am in October 2016 was "a serious incident with personal violence being used and items thrown".

By TOM WILKINSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

One man in the other group suffered a "nasty" head injury, though this was caused after door staff intervened.

The judge said: "CCTV shows this incident blew up out of nowhere and suddenly there is a large melee involving numerous people."

The venue has been compensated for damage caused, the judge said.

Only the injured man from the other group had made a witness statement and his friends had not helped police.

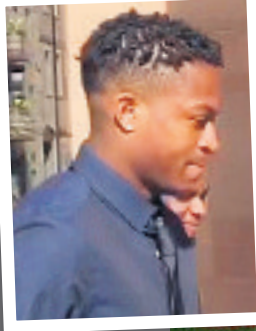

The judge added: "Some of them were involved in using violence against Mr Aarons and his family and friends."

A member of the other group was the first to throw anything, the judge also said.

Aarons, who was born in Jamaica and raised in Bristol, is out on loan to Hellas Verona in Italy.

The judge granted all defendants bail, except for Garfield White, 23, a serving prisoner, ahead of sentencing on May 22.

The judge said: "All options remain open, including an immediate custodial sentence."

## Avicii returns to the charts after his death

DJ Avicii looks set to return to the charts following his death at the age of 28.

The Swedish producer, real name Tim Bergling, was found dead in Oman on Friday.

Three of his hit songs are now heading back to the UK chart, the Official Charts Company said.

*Wake Me Up*, a three week chart-topper in 2013, is currently back in the Top 20 at number 13.

His breakthrough track *Levels*, originally a number four hit in 2011, is at 24, and 2013 single *Hey Brother* re-enters at 32.

The artist's two studio albums *True* and *Stories* are on course to return to the Top 40 of the album chart, and are currently at 15 and 21. Remix album *True: Avicii by Avicii* is at 23.

Elsewhere in the singles chart, Ariana Grande is battling Calvin Harris and Dua Lipa for the top spot.

Just a handful of sales and streams are separating the top two at the mid-week stage of the chart week.

## Train sex abuse woman punched

A WOMAN who was sexually assaulted on a train was punched in the face when she slapped the man responsible, police have said.

The incident happened last Thursday after the 30-year-old victim boarded the 6.30pm Newcastle to Edinburgh Waverley service.

She was unable to find a seat on the train and stood next to a group of men who she had been chatting to at Newcastle station before boarding.

During the journey said one of the men sexually assaulted her.

In response the victim slapped him and the man retaliated by punching her on the jaw.

A British Transport Police spokesman said: "Detectives are keen to speak with anyone who was on board this train and may have seen what happened. Any piece of information, however small, could prove vital."

# POLICEMAN'S 'TWO SEX ATTACKS ON GIRL, 16, DURING HELL DATE'

By CAMERON CHARTERS [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A POLICE officer twice raped a girl aged 16 after lying about his age to take her on a 'hellish' date, a court heard.**

Adam Provan, 38, allegedly groomed the dance student by exchanging messages and photos during the late summer of 2010.

Provan offered to take the girl out to the cinema but took her to woods in Harold Hill, Romford, where he pinned her against a tree and raped her.

He then drove to a nearby McDonald's and ordered two milkshakes at the drive-through where he "researched films the two could have watched to trick her father," said Anthony Metzger, QC, prosecuting.

### Oral

They then went to a children's play area where the officer allegedly forced the teenage to perform oral sex, Wood Green Crown Court heard.

Describing the girl's police interview the prosecutor told jurors the girl's father had been "reassured to let his daughter go on the date, even more so as Adam (Provan) was a serving police officer."

He continued: She will tell you that she told Mr Provan he would have to meet her dad before going on a date because he is older than her.

"Provan appeared reluctant at first, but accepted after a couple of days.

"You will hear that Mr Provan, the police officer, had told her he was 22.

"After a 15-25 minute drive,

## He raped her against tree - court

the defendant pulled over in a car park by some woods. This is where the prosecution say the first rape took place.

"Mr Provan asked for a kiss, progressively started kissing her neck, touching her breasts, before pulling out a condom.

"He asked her if they should 'do it' meaning, 'have sex', she said, 'no', he kept asking and she stepped away.

"But this refusal wasn't sufficient for Mr Provan to desist, he continued saying they should, 'do it', and telling her to take her trousers down.

"She continued to refuse but he did not give up, he unzipped his own jeans, pulled his own jeans down, put on a condom and pinned her against a tree.

"She froze with fear and he continued - pulled down her leggings and underwear."

Provan then had sex with the girl "until he was satisfied", said the prosecutor.

"There was no exchange during the act, she had frozen.

"Unfortunately, for her the film would not have finished by then. Mr Provan took her for yet another walk. She was of course still traumatised by the first incident, withdrawn.

### Trauma

"They went to a children's play area, he played on the swings whilst she remained passive from her fresh trauma.

"He then took her to a bench on the hill. He asked her if she wanted to 'give her head', oral sex. She refused. Again, he insisted."

Mr Metzger added: "This put an end to the hellish date she had been taken on and Mr Provan finally drove her home.

"It was only once home that she was informed by her dad of Mr Provan's real age.

Provan was about 31 at the time of the allegations, the court heard. He was arrested on June 1, 2016 and expressly denied the allegations.

The Kierling Newmarket, Suffolk, man denies two counts of rape and the trial continues.

# WOMAN JAILED FOR SEX WITH BOY, 14, IN PARK

A WOMAN has been jailed after she was caught having sex in a park with a 14-year-old boy.

Kelly Wolf, 28, was found guilty on two counts of causing or inciting a child to engage in sexual activity and arranging or facilitating the commission of a child sex offence.

A court heard how Wolf (left), who was 26 at the time of the offences, groomed the teen victim between September 13 and September 24, 2016.

Police were alerted to the relationship on September 25, 2016, when they received a call saying that the victim had gone missing.

The victim's parents informed officers that they believed their son was having a

sexual relationship with Wolf. This was later confirmed by a friend of their son, who approached the parents when he found out he was missing.

The friend told officers he saw the two having sex in a park.

When the victim returned home he was quizzed by officers about the nature of his relationship with Wolf, but refused to comment.

They left the victim's house and arranged to speak to him in a few days but

he and his mother attended Edmonton police station in north London the next day where he admitted he had been having a sexual relationship with Wolf after she had started grooming him using text messages.

Wolf, of Enfield, was sentenced at Wood Green Crown Court to two years and nine months in prison.

She was also placed under a sexual harm prevention order for a minimum of 10 years.

## Marvel Stan 'rubs cock on woman's foot'

MARVEL movie genius Stan Lee rubbed his genitals on a masseur's foot, she claims.

Maria Carballo filed the £40,000 civil suit on Monday in Chicago, claiming the incident took place during two sessions in April 2017 at the McCormick Place Hyatt Recency hotel.

Carballo also filed a criminal complaint against Stanley Lieber – Lee's real name – in Chicago last month.

Lee, through his lawyer, has denied the allegations and vowed to fight the lawsuit.

The allegations stem from his visit to Chicago for C2E2, an annual comic book event.

Carballo says that Lee was on his stomach for the first massage when she noticed he was fondling himself.

He began moaning and groaning when she massaged his thighs, the complaint states, at which point she cut the massage short.

Carballo claims she was told Lee was a "VIP" and agreed to go back for a second session, for fear of losing her job.

## REALITY star Charlotte Crosby says she LOVES watching PORN as she has sex.

The former *Geordie Shore* babe has landed her very own gig, *The Charlotte Show*, and she doesn't hold back on it.

In one recent episode she is seen with her friend Melissa googling her current boyfriend's past – and isn't impressed with what she finds.

When she learns Joshua Ritchie, 23, has shagged three girls at once, she decides to confront the hunk over a cocktail and quiz him over why he won't watch porn with her.

## Romp

She said: "So you've had sex with three girls at once but I ask you to watch porn while we have sex and you're like, nah. What's wrong with a little bit of porn?"

Busty beauty Charlotte is no stranger to shagging onscreen and in her *Geordie Shore* days was happy to romp in front of the cameras.

Some of her sex antics were even too rude for even MTV to air, including her bum-fun play and a revelation about a solo sex toy session with a number of butt plugs.

She quit the show in 2016 and her latest one is following every moment of her life.

STAYING true to herself, serial flasher Charlotte didn't disappoint fans who tuned into her brand new reality effort *The Charlotte Show*.

**By BECCA STUBBS** [becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

***SMALLVILLE* actress Allison Mack tried to lure Emma Watson and singer Kelly Clarkson into her weirdo sex cult, it has been claimed.**

The 35-year-old is accused of recruiting slaves into the secretive NXIVM organisation while its founder Keith Raniere allegedly subjected them to humiliating acts.

Raniere's and Mack's initials were branded onto the pelvic area of women who joined the cult, which has a large base in Albany, New York.

Now it has emerged Mack tried to recruit *Harry Potter* star Watson, 28, and singer Clarkson, 36, both champions of feminism and known supporters of women's rights.

Mack reportedly tweeted the pair about an "amazing women's movement" and invited them to have a "chat" with her about it.

In 2016, she tweeted Watson saying: "I'm a fellow actress like yourself & involved in an amazing women's movement I think you'd dig. I'd love to chat if you're open."

A month later she tweeted the star again, writing: "I participate in a unique human development & women's movement I'd love to tell you about."

Three years earlier she wrote to Clarkson: "I heard through the grapevine that you're a fan of Smallville. I'm a fan of yours as well! I'd love to chat sometime."

“slave” and he as her

She has been serving as leader of the cult since Raniere, 53, was arrested in Mexico, where many high-profile members fled earlier this year.

## Conspiracy

They both deny federal charges of sex trafficking and of conspiracy to commit forced labour.

The allegations against Raniere and Mack were outlined in the Complaint and Affidavit in Support of Arrest Warrant that was filed in February.

U.S. Attorney Richard Donoghue said in a statement: "As alleged

in the indictment, Allison Mack recruited women to join what was purported to be a female mentorship group that was, in fact, created and led by Keith Raniere.

"The victims were then exploited, both sexually and for their labour, to the defendants' benefit."

Mack has yet to comment on the allegations, while Ranieri is being held without bail after the U.S. attorney's office told the court the cult leader previously had sexual relationships with two minor females aged 15 and 12.

He and Mack are facing possible life sentences behind bars.

## Tory: Sleeping rough's not as tough as Army

A TORY MP and former Army captain has described his own experience of sleeping rough on London's streets as a "lot more comfortable" than going on exercise in the forces.

Adam Holloway (above), MP for Gravesend, sparked reaction from some opposition MPs as he made the claim during his Westminster Hall debate on street homelessness.

He said: "If you are fit and of sound mind, there are all sorts of services, not quite 24 hours a day that make it possible to sleep out."

"I'm 52 years old, I was in the Army, to be honest for me, sleeping rough in central London is a lot more comfortable than going on exercise when I was in the Army, but if you are mentally ill or you are drug addicted or you are old or you are personality disordered, it is a different thing."

"I think we do have to accept that some people are able to sleep rough in our cities because there are the resources to do so."

## Lily: Meryl will kill my career!

ACTRESS Lily James says playing a young Meryl Streep in her upcoming movie could spell the END of her career.

Lily, 29 (above), is set to play Donna Sheridan in *Mamma Mia! Here We Go Again* – a role made famous by Meryl, 68, when she took on the character in the original musical movie in 2008.

But *Downton Abbey* babe Lily isn't confident and said: "I've set myself up for the biggest fail."

"This will probably end my career, playing a young Meryl. But I keep having to tell myself, 'I'm not playing Meryl, I'm playing Donna Sheridan'."

# HOLLY SHOWS OFF HER PUSSY

**(And it's a hairy one!)**

**TELLY** presenter Holly Willoughby trimmed her **HAIRY PUSSY** live on *This Morning*, leaving viewers shocked.

Holly, 37, posed for a photo with her very fluffy cat, Bluebell, who she also took onto yesterday morning's daytime show.

The blonde beauty had brought her pussy onto the show after a grooming disaster and was shown the best way to trim her hair by a professional groomer.

## Raggedy

She revealed she'd cut Bluebell's fur under her chin but it was left looking 'raggedy' and needed extra care and attention.

Showing Holly how to pluck the cat, viewers took to social media to express their delight in Holly's new grooming regime.

One quipped: "Holly's

Her co-host Phillip Schofield, 56, couldn't wait to stroke Bluebell, leading to a whole host of kinky comments, including: "Watching Phillip stroking Holly's pussy on *This Morning* has legitimately made my morning."

## First ever cock and balls swap

A US army veteran has received the world's first cock and balls transplant after losing both legs and his genitals in a bomb blast in Afghanistan.

Nine plastic surgeons and two urological surgeons were involved in the 14-hour surgery on March 26 at Johns Hopkins Hospital – the same team that carried out the country's first bilateral arm transplant in a wounded warrior.

They transplanted an entire penis, scrotum and part of the abdominal wall from a deceased donor.

The surgery also involved transplanting the donor's skin, muscles, tendons, nerves, bone and blood vessels.

The unnamed man is expected to regain all sexual and urinary functions within the next few months.

# #HOT'N'HORNY

**JUICY** Jodie Gasson is offering Meghan Markle some real competition as she sets her sights on SHAGGING Prince Harry.

Jodie, 27, from Hove, East Sussex, says she's always bowled over by funny fellas and her dream date is the 33-year-old ginger Prince.

Judging by these jaw-dropping snaps, Prince Harry's fiancée Meghan, 36, might be quaking in her boots thanks to Jodie's impressive 30F norks and her enviable curves.

## Trick

Jodie said: "Prince Harry! I love him, he's such a hunk. I definitely would, that's for sure. And it wouldn't even matter to me if he wasn't a Royal!"

However, if she can't land a date with Harry, a funny bloke would do the trick.

She added: "Just come up to me and make me laugh. You don't even have to tell me your name. Tell me a joke or say something funny and you'll get my attention."

"I am small, cute, cuddly and funny - and I've got a massive pair of boobs!"

# NO MORE MINGE PLEASE! SAYS GAY CALUM

**SINGER Calum Scott says he gets bombarded with pictures of ladies' MINGES from fans.**

But the besotted women are barking up the wrong tree because the 29-year-old is a gay!

The *You Are The Reason* singer said he often receives a rude awakening when he rifles through his mailbag each morning.

Calum also explained how he has inspired plenty of erotic fan fiction following the release of his debut album *Only Human*.

He said he gets "tons" of provocative parcels sent by fans daily, adding: "It's quite scary, actually. When my sexuality wasn't necessarily out there, I got a lot of stuff from the ladies."

## Explicit

"It's not my bag, but I can appreciate it."

The openly gay pop star receives his fair share of attention from men, too – especially after appearing topless on the front cover of *Gay Times* earlier this year.

He said: "Oh my God, the things I'm sent. It's quite explicit – I'll be honest. I have a mixture of both pictures and messages."

"The weirdest was a lock of hair in a locket."

## Pit bull in a China shop

A SHOP was smashed up by an out-of-control truck – driven by a DOG.

A video, taken in the city of Taizhou in China's Jiangsu Province, shows the electric vehicle smashing through the door of a mobile phone shop and into a stack of shelves.

It misses a woman behind a shop counter by inches before coming to a sudden halt.

The cab of the vehicle appears to be empty – before the dog's head then pops up.

It turned out that the vehicle had been parked by the door of a neighbouring shop and the driver had not fully turned off the power.

The driver left his pet dog in the cabin before leaving the vehicle, and the mutt stepped on the accelerator by mistake.

"I was like, 'Erm, that's lovely but what am I supposed to do with it?'"

The former *Britain's Got Talent* contestant came out shortly after appearing on the show in 2015, and is now billed as a bona fide gay heart-throb.

And Calum admits he finally feels comfortable in his own skin.

He added: "To go from a timid and anxious person, when it comes

to sexuality, to feeling empowered and confident.

"I've definitely never felt stronger about LGBT rights and the community – I feel a sense of belonging now."

But he admits he is already worried about feeling homesick before heading out on a European tour.

He said: "I have a key ring of my nephew that was made for me at Christmas, and I take my notebook with notes from my mum and sister."

"I'm a sentimental person."

# ORAL SEX RIOT ON BUSY TRAIN

**A RANDY couple enjoying an oral sex romp on a busy train attacked fellow passengers who moaned about the sloppy blowjob.**

The clash happened after a 36-year-old woman was seen on her knees pleasuring her lover, 38, on a mid-morning train service.

Children were among the train travellers to witness the act.

An 18-year-old female approached the couple and asked them to stop, after which there was a verbal argument and the 36-year-old woman insulted the 18-year-old and slapped her in the face.

## Punching

The woman then attacked the victim's companion, a young man, by punching him in the face.

After the 38-year-old male partner proceeded to attack the young woman's companion, another passenger held him down.

That's when another traveller pulled the emergency brake and the train came to a stop upon entering Berlin's Ostbahnhof station in Germany.

The two victims both suffered light injuries, including bruises and

scratches.

The sex pair initially fled the platform but federal police officers

arrested the 36-year-old shortly afterwards and her partner later gave himself in to the police.

Investigations were launched against the randy couple for public nuisance and assault.

## Rachel: My 'raw' lesbo love scene

RACHEL McAdams has said filming a sex scene with Rachel Weisz was the most "raw and vulnerable love-making scene" she's ever done.

The two actresses star in *Disobedience* as former lovers who are reunited after the death of a parent.

Interviewing each other online, Weisz said: "I'm always spending time with men in fictions, so for me it was just really unusual and lovely."

"As a woman, you're often the object of the man's desire, or he's the object of yours, but I felt like there was something different about the female gaze."

McAdams added: "That was a very different love scene than I've ever done before, and it was the most kind of raw and vulnerable love-making scene I've ever done."

"And yet at the same time, I felt incredibly safe and cared for and free to explore."

*Disobedience* will be released in the UK in September.

## Maria reopens Twitter spat with Dani

PHWOAR OF WORDS: Maria (left) and Danielle

## MODELS Maria Fowler and Danielle Lloyd have reignited their feud in a series of bitter social media posts.

The latest argument between the glamorous pair kicked off when a fan tweeted former *TOWIE* beauty Maria, 31, to say that Danielle was "looking unreal at the moment".

To which Maria replied: "That's called lipo."

Not taking her dig lying down, Danielle, 34, then slammed Maria calling her "jealous" and denied claims of having had any liposuction before sharing an article from 2011 on Instagram accusing Maria of being an escort.

### Inches

She wrote over her post: "No Maria this is the worst kind of woman. What you trying to do on Twitter? Get a £200 interview and a few column inches? We all know why you don't like me because you got outed with my husband in a hotel."

Former WAG Danielle was thought to be referring to an incident in 2014 involving her ex-hubby Jamie O'Hara, 31, and Maria.

Wanting the final word, Maria hit back saying: "If you're going to write stuff

at least make it true. All of the stories - including the X-rated home video - on Danielle are true. The proof is on Google."

While it's unknown what the 'home video' Maria is referring to, Danielle was a victim of a sex tape leak last year.

A pal of Danielle's said: "She has been subject to more vile trolling - this time instigated by Maria's incorrect retweet."

"Maria and others' jealousy is clear to see in their obsessive hatred towards Danielle's, and her amazing physique."

Maria also released a statement and said: "Once again, Danielle Lloyd is playing the victim on social media. In my opinion she has a past history of bullying."

**CORI BEARD, 28**

**SOCCER COACH, VERNON HILLS HIGH SCHOOL, ILLINOIS**

WELL fit Miss Cori pleaded not guilty to 12 charges of banging pupils, but cops say she had confessed to having sex with several students – and that was backed up by statements from her alleged victims.

It is claimed she had sex with the lads at her apartment, once at her parents' house when they were away on holiday, and in cars over a three-year period. She also sent them nude pictures of herself.

She's awaiting trial and faces 48 years in nick if found guilty.

**HAELI WAY, 28**

**MATHS, WESTLAKE HIGH SCHOOL, AUSTIN, TEXAS**

NAUGHTY Haeli had sex 10 times with a 17-year-old student when she accompanied him and his parents on a church-sponsored summer trip to Africa in the summer of 2015, and then began a month-long relationship when they got home.

She pleaded guilty to two charges of improper relationship and was given 10 years' probation in March 2017.

**AMY HOOD, 41**

**6TH GRADE TEACHER, THORBURN CONSOLIDATED SCHOOL, NEW GLASGOW, NOVA SCOTIA**

MUM-of-three Amy performed a sex act on her pupil as the pair sat in her car in his driveway and also exchanged sexually explicit text messages with another teenage boy.

She escaped a one-year jail term and was instead sentenced to 15 months of house arrest after a court heard that she suffered from bipolar disorder. A judge said jail time would have been 'disproportionate'.

The court heard she had always feared being caught. She texted the boy once: "I picture a f\*\*king cop car showing up at the school or my house all the f\*\*king time."

"It's sad how much it consumes my day, and yet I try and convince myself that I'm not that f\*\*ked up, but I must be, because I can't say no to you."

**FIT RATING** 60/100

**ALEXANDIRA VERA, 24**

Alexandira was banged up for 10 years after conducting a long-term relationship with a teenager which started when the lad was 14 and they had sex every day for nine months.

In court, the judge told her: "You stepped across a line, a taboo that cannot be violated."

# SHAGGING PUPILS...

ALMOST every week a gorgeous, fit teacher in America gets hauled into court for SHAGGING a pupil.

Copping off with a stunning teacher is every British schoolboy's fantasy but in America it's coming true time and again for plenty of lucky lads.

Not only do the teachers across the Pond look sensational, they also don't seem too bothered about bonking a pupil or sending them kinky texts – even if it costs them their jobs, their families or even their liberty.

## Romped

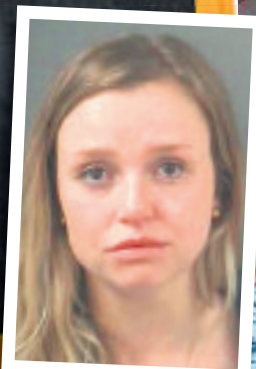

The latest in a long line of horny teachers is 24-year-old Madeline Marx (*below*), who romped with two teenagers.

One of the lads, who was 16 years old, claims he had sex with Marx in a car outside an apartment block, whilst a 17-year-old claimed she gave him a blowjob in a car outside a shopping centre. She also sent one of them sexy naked pictures.

She pleaded guilty but somehow avoided jail time.

Instead, the judge in Ohio handed the former substitute teacher at Kettering Fairmont High five years' probation.

However, other frisky teachers haven't been so lucky, here are just some of the hottest Misses who have been dishing out homework during the day but doing plenty of extra-curricular with their pupils after school...

## STEPHANIE PETERSON, 26

The boy told cops she would regularly pick him up from home at 11pm and drop him back at 2am and says they had sex several times, including once in her car parked in a driveway and twice in his house.

The teenager told cops it all started when she began sending him images of herself in a state of undress.

Stephanie is said to have filed for divorce from her husband two weeks before her arrest.

The relationship began in 2014 but went up to a whole new level in 2015 when she resigned from the school and persuaded his unsuspecting mother to give her partial custody of the boy while she became his mentor.

The mum agreed but the boy spent so much time at Cross's home she became suspicious. She complained to police but nothing was done.

## Katie plans Amazon gig for her 40th

KATIE Price is planning an AMAZON adventure for her upcoming 40th bash.

She will celebrate her birthday May 22 but wants to pull out all the stops to make it a memorable one.

Katie said: "There's quite a lot happening this year. We've got to discuss my birthday. I might do something different than a party."

"I might do an adventure. You can go out and get drunk any time of the week, so that's boring for me."

"I want something unique or different. Like to go to the Amazon rainforest and have a party with a tribe."

"I want something different and memorable – and to make sure my mum is there, too."

Her mum, Amy, is suffering from a terminal lung condition and Katie was supposed to run the London Marathon last weekend to raise money and awareness for the British Lung Foundation.

However, the outspoken star only managed around eight of the 26.2 miles before calling it quits, blaming a knee injury.

## Caroline 'wants a baby with toyboy'

BROODY Caroline Flack reportedly wants a baby with her fella of just three months, *Celebrity Big Brother* star Andrew Brady.

Caroline (above), 38, and her 27-year-old beau have already moved in together, split up and been at the centre of a cheating scandal.

However, she's not been put off and a source said she's desperate for a baby.

They said: "Caroline has it in her heart that Andrew is the one she wants a baby with."

"She has babies on the brain, plus Andrew does all she wants."

# LOVER CHOPPED OFF MAN'S PENIS OVER SEX TAPE LEAK

**Nice set of decks, Bob!**

**SUPERSTAR DJ Bob Sinclair** must be counting his lucky stars – as he's got a **STUNNING** wife.

The 48-year-old French producer – real name Christophe Le Friant – was on holiday in Miami Beach, Florida, with his gorgeous missus,

Ingrid, who seemed happy to flaunt her jaw-dropping norks.

Stripping off her bikini top, the red-hot brunette flaunted her bare boobs as her *Rock This Party* husband looked on – as did all the other blokes on the beach!

**BLOODY MESS:** Sergio Fernandez was attacked by his ex, Brenda Barattini (below)

## She used garden shears!

**A WOMAN cut off her fella's COCK with a pair of garden shears after he shared their sex tape with his mates.**

Brenda Barattini, 26, attacked Sergio Fernandez while he was asleep – leaving a trail of blood all around his house.

The assault, in November last year, left Sergio, 40, with 90% of his penis hacked off.

Barattini explained why she carried out the grisly attack in an interview she gave from jail, where she is being held awaiting trial.

### Shocking

She said: "I cut his penis but not completely – I injured him. It wasn't complete."

"I left to ask for help. I did not want anything to happen to him. Besides, I was afraid of the blood."

She said that Mr Fernandez hurt her feelings when he leaked an intimate video of them to his friends.

Felipe Trucco, one of the mutilated man's lawyers, said his client still needs more surgery after sustaining the shocking injuries.

Mr Fernandez was rushed to hospital in the Argentinian city of Cordoba at the time and

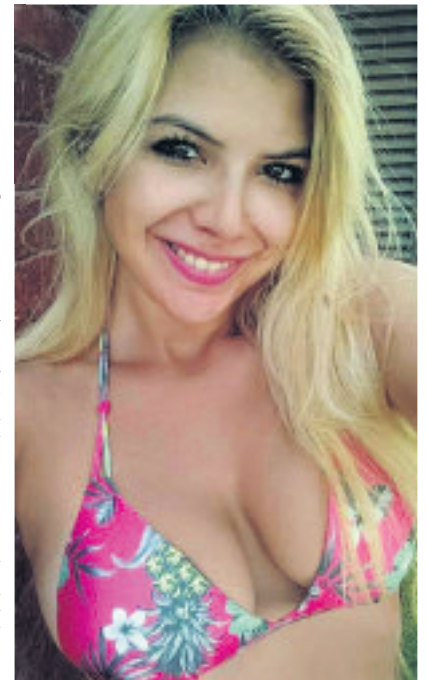

By ???  
??@sundaysport.co.uk

lost a lot of blood. Officers do not believe Barattini was staying at Mr Fernandez's home when she carried out the attack.

Instead they believe

she entered his home in the early hours before mutilating him.

It is unclear whether medics were able to locate the man's severed genitals and if they can be reattached – or how the emergency services were alerted to his injuries.

## Grime artist Solo 45 rape trial adjourned

THE trial of a grime artist accused of rape, assault by penetration, false imprisonment and assault has been adjourned.

Andy Anokye, 31, who performs under the stage name Solo 45, denies all 31 charges made against him.

The accusations, relating to four alleged victims, include 22 counts of rape and five counts of false imprisonment.

Anokye also denies two charges of assault by penetration and two charges of assault occasioning actual bodily harm.

Judge William Hart adjourned the case during a hearing at Bristol Crown Court on Tuesday.

"The trial of Mr Anokye has been adjourned to a date to be fixed and that day is not yet capable of being finalised," the judge said.

# Sex couple paralyse neighbour after he saw romp

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

A MAN was paralysed for life after neighbours put him in a HEADLOCK that broke his neck when he interrupted them having sex.

After the attack, Ryan Mutch and Natalie Brabin threw amateur artist Colin Otty down the stairs to cover up the crime.

Mr Otty, 46, will be in a wheelchair for life and is completely dependent on others for his needs.

In a victim statement, he said: "The attack has completely destroyed my life. My life has been taken from me. I am a prisoner in my own body until the day I die."

Mutch, 39, from Alder Hey, Liverpool, had been on a drink and drug binge before he turned up naked at Mr Otty's front door, saying Mr Otty's music had disturbed him and Brabin having sex.

## Aggressive

Mr Otty described Mutch as being "off his head" and said he was so aggressive he picked up a garden rock to defend himself.

Brabin, who was also naked, joined in the fight where both her and Mutch spat at and stamped on Mr Otty before putting him in a headlock.

Prosecutor Charles Lander told Liverpool Crown Court: "So great was the pressure Mr Otty felt his neck pop."

Mutch admitted causing grievous bodily harm with intent on the day he was due to face trial and his girlfriend, Brabin, who admitted punching and kicking the helpless victim, admitted a lesser

JAILED: Brabin

CAGED: Mutch

offence of causing grievous bodily harm.

Mutch was jailed for 12 and a half years.

Brabin, of Garston, Liverpool, was jailed for three years.

## Zammo's rant at ban

ACTOR Lee MacDonald, who played Zammo in children's TV show *Grange Hill* in the 1980s, told the BBC he has had an "absolute nightmare" following TSB's IT glitches.

The boss of TSB has apologised for the problems which left online customers unable to access their money and some able to see other people's accounts.

Paul Pester said he was "deeply sorry" for the problems as data and banking watchdogs confirmed they were looking into the situation.

Customers complained of problems with mobile and online accounts several hours after a system upgrade was supposed to have been completed on Sunday.

Lee, now a key cutter and locksmith, told BBC Radio 5 Live: "I'm having an absolute nightmare. My business has literally stopped. I don't know what money's coming in, what money's going out."

"It is unbelievable for a big company. I'm in absolute turmoil at the moment. When you run a small business, every job counts."

# Sex machine Verne had hots for Sport girls!

**PINT-SIZED actor Verne Troyer passed away on Saturday after struggling for years with an alcohol addiction.**

The 2ft 8in former *Austin Powers* star was just 49 years old, but definitely lived life to the full – as his photos with some of the best known *Sport* babes prove.

Verne once boasted about his sexual prowess and said: "I know exactly how to make a woman feel like a woman. I know the spot, and I've got plenty of inches where it matters."

And it didn't take him long to make his moves on glamour girls Verena Twigg and Tommie Jo when they bumped into the little fella during a trip to Hollywood in 2010.

Verena, 30, showed off her 34D painted

boobs at a showbiz bash and said: "We spotted Verne and immediately went over to ask for a photo."

"We ended up chatting and that turned to flirting. You could tell we were turning him on, so to give him a bit more of a thrill Tommie and I snogged in front of him."

"He said we should carry on a little party of our own, asking us 'Do you want to meet mini, Mini-Me?'"

## Tempting

Blonde bombshell Tommie Jo, 28, locked lips with Verena to tease the *Harry Potter* actor – and she also left him impressed with her 32G norks.

She added: "I can see why girls go for him. He enjoyed watching me and Verena kiss. It was a tempting offer but we had to say no."

Instead of being put off by Tommie and

She said: "I was flattered, but taken aback at the same time."

PENIS!**

## Ex-Dr Who's secret

By BECCA STUBBS

becca@sundaysport.co.uk

**FORMER *Doctor Who* star David Tennant revealed he has a GIGANTIC two-foot sparkly pink PENIS.**

The actor keeps the glitzy cock indoors, where it takes pride of place on a shelf at his West London home.

David, 47, who played the sci-fi Time Lord from 2005 to 2010, blamed his wife Georgia Moffatt for the pink phallus.

When asked about the strangest thing in his house, he replied: "It would probably be a two-foot-high pink, sparkly penis."

"It is a trophy my wife brought back from a production of *What the Butler Saw* that she was in a few years ago and has pride of place on a shelf."

His wife, Georgia, 33, made her West End debut in the play *What the Butler Saw* when it launched at the Vaudeville Theatre in London in May 2012.

## Panned

However, the sparkly dick might be the only happy memory the couple have of the show, as it was panned by critics and was scrapped just a month later.

Having been at the forefront of British television for years, thanks to *Doctor Who* and popular ITV drama *Broadchurch*, David is now set to star on the big screen.

He will play a rich serial killer in upcoming thriller *Bad Samaritan* with *Three Billboards Outside Ebbing, Missouri* star Kerry Condon, which will be released in UK cinemas on May 4.

**JAW-DROPPING** Jess Kingham is already a member of the **MILE HIGH CLUB** – but now she wants to **SHAG** on the **BEACH**.

Jess, 26, from Camberley, Surrey, wants to take her holiday bonking up a notch, having lived out her fantasy of bonking in a plane.

The 32F sexpot says she'd love to do it on the shore or go completely naked in a cove.

She said: "There's no doubt about my greatest X-rated accomplishment – joining the Mile High Club!"

#### **Dirty**

"My boyfriend and I were on a night flight and we managed to sneak into the toilet together. I'm pretty sure a few people knew what was going on, but it was well worth the dirty looks we got."

"Having sex in public is fun. There is just something extra horny about the thrill of possibly getting caught."

"My ideal place would be on a beach in a hot country just as the sun is setting. I've also got a fantasy where I'd like to find a secluded cove and have it all to myself, so I can run around nude all day."

"Knowing my luck, though, a boatload of tourists would drift by!"

# BUS STOP SEX ROMP PAIR WALK FREE

QUICKIE  
A-FARE:  
Couple  
caught  
shagging  
in public

**A COUPLE in their 40s who were caught on camera having sex at a bus stop have been spared a spell in jail.**

Carol Taylor, 49, and 41-year-old Alan Severn admitted a charge of outraging public decency after they were caught in the act at the bus shelter in Mansfield, Notts.

A nearby resident heard the pair being noisy at 7.45pm on August 1 last year, and thought they were drunk.

## Offence

Cops were called, and in a subsequent interview Taylor declined to answer their questions and Severn denied the offence.

But the couple, who are both from Kirkby-in-Ashfield, admitted the charge when they appeared at Mansfield Magistrates' Court on Friday.

Prosecutor Robert Carr told the

court that on that evening "Ms Taylor took her trousers down, exposing her bottom, and then they started to engage in sexual intercourse that went on for about 10 minutes".

Emma Cornell, defending, said: "They fully accept the offence. When it occurred it was a relatively new relationship. They had been drinking that day."

Presiding magistrate Keith Ward said: "It certainly goes beyond exposure – this shows total disregard for the general public while in drink."

They were both given 12 month community orders, but Severn must carry out 150 hours of unpaid work, while Taylor must complete 20 rehabilitation activity days.

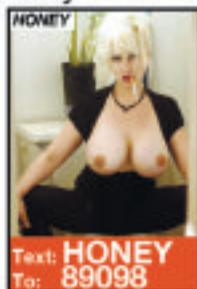

Each were ordered to pay £170 in costs and surcharges.

## Bidding war for Kim and Kanye movie

A-LIST couple Kim Kardashian and Kanye West are reportedly in the centre of a bidding war with movie studios battling for the rights to make a MOVIE about the pair.

Kim, 37, and Kanye, 40, are allegedly demanding full control over their upcoming biopic about their love story.

An insider said: "Kim and Kanye have had no shortage of offers to make a biopic, but they were either for low-budget productions or bigger studios dropping hints that never materialised.

"But now the likes of Warner Bros and Sony are wooing them, so they figure a movie could be a huge hit if it's done right.

"Kim and Kanye are insisting on a lot of control over the script, which is why it will take some time to be formalised. But they're keen to make it happen this year."

The pair first got together in 2012 before marrying in a lavish, Florence ceremony two years later.

## Stag do death man 'selfless'

THE family of a British man whose body was recovered from a river after he went missing on his brother's stag weekend in Hamburg have described him as "selfless".

Liam Colgan (above), 29, from Inverness, disappeared in the early hours of February 10 during celebrations for his brother Eamonn in the German city. His body was recovered from the River Elbe on Monday.

A statement on the Facebook page set up for the search said: "Liam had a laid back, selfless personality that made him impossible not to get on with. We love you Liam."

# Hitler was my granddad!

FÜR BETTER OR WORSE: Philippe just wants truth about his granddad

## ...AND FRENCH PLUMBER TAKES DNA TEST TO PROVE IT

**A FRENCH plumber is taking a DNA test to prove he is Adolf Hitler's grandson, claiming his grandmother had a fling with the Führer when she posed for one of his paintings.**

Philippe Loret's saliva will be matched with genetic material from pieces of skull and jaw bone reportedly belonging to the Nazi leader and held in a vault by the former Russian KGB in Moscow.

He is convinced his late father, Jean-Marie Loret, was Hitler's illegitimate son conceived long before the tyrant led Germany into the Second World War.

### Bunker

Loret, 62, believes his grandmother Charlotte Lobjoie had a fling with the Nazi leader, then a young German corporal, fighting in northern France in the summer of 1916.

State-run Russian television channel NTV has now taken a DNA sample from him and brought it to Moscow to be tested against genetic material from Hitler's remains which

were retrieved by Stalin's forces after they stormed the dictator's Berlin bunker in 1945.

Loret said: "There are always some doubts, but if DNA test is negative – well, there's nothing to do then. If positive – my thoughts will have been confirmed.

"Actually, either result will be good, as it will be some result.

"If it is negative, I need to find out who my real granddad was.

"All I want is to find the truth. It is a search for the truth."

## Public shag pair's nude chase

**A COUPLE caught having sex in public were chased naked by police across a park.**

Officers were called after a report of two people having it off in a field across the river from Queen Elizabeth Gardens in Salisbury, Wilts.

When officers attended nearby, the pair ran off along the riverbank.

Two people, a man aged in his 20s and a woman aged in her 40s, were later found at an address in the city.

They have been invited in for interview for outraging public decency.

## Trans beauty worker jailed for PC attack

A TRANSGENDER beautician has been locked up for attacking a constable, weeks after she avoided jail for pushing an off-duty police officer onto the Tube track.

On February 20, Paris Bregazzi, 30 (above), was handed a six-month jail term, suspended for two years, over an incident at Hanger Lane Station in Ealing, west London.

But she landed in the dock again for kneeling a constable in the chest and spraying perfume at a security guard at Waterloo Station on March 10, when she was still on bail.

In a police interview she explained she was "not in a good mood".

Old Bailey Judge Rebecca Poulet QC noted that Bregazzi had been treated "compassionately" over the Tube incident in light of "considerable personal problems".

But she jailed her for 10 months for the "protection of the public".

Bregazzi admitted assault and criminal damage.

## Naked flasher's icy river death

SERIAL flasher Bernard Bryant died after jumping naked into an icy river to escape cops who'd come to nick him for indecent exposure.

Bryant, 29, was wanted for a string of flashing incidents around Spring Lake in North Carolina, and was naked when cops spotted him in a park.

When officers pulled him from the icy Little River on March 3, Bryant went into shock and died in hospital, an official inquiry heard.

The medical examiner has ruled the incident was an accident brought only Bryant's own lawbreaking.

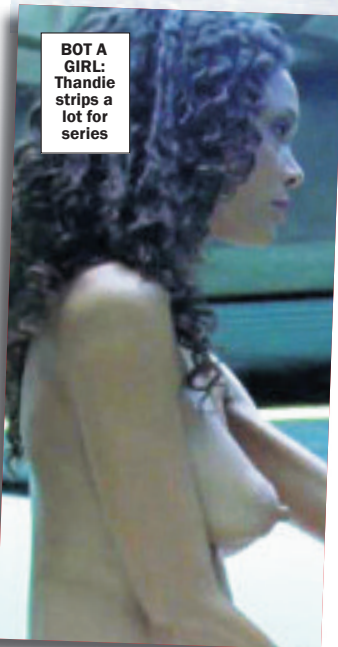

It is unclear why he wasn't wearing any clothes, but reports say Bryant had been arrested 24 times since 2006 – with the last four incidents relating to indecent exposure.

A police spokesman said: "We can assume he had some mental issues."

# SO WHAT ABOUT THE WESTWORLD ROLE APPEALED TO THANDIE?

# 'You'll be naked most of the time and be a brothel madam'

BOT A GIRL: Thandie strips a lot for series

**SCI-FI drama *Westworld* returned this week for its second series – and lead star Thandie Newton says being NAKED made her sign up for the show.**

Thandie, 45, plays brothel madam Maeve in the Sky Atlantic series and was sold the role by being told she'd be nude for 75 per cent of the time.

Set in a Wild West theme park where humans pay to do whatever they want to the lifelike robotic 'hosts', Thandie plays one of the star bots.

### Nudity

*Westworld* has had as much attention for its nudity as it has for its violence and complex plot, and Hollywood hottie Thandie has told why she couldn't wait to play Maeve.

She said: "I talked to the producers before I was cast and they said: 'You'll have to be nude for 75 per cent of the time, and you'll be playing the madam of a saloon'."

By BECCA STUBBS

[becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

"I was like: 'You do know I've been an activist for ending violence against women for the past 20 years?'"

"But then they described the premise of the show, that this character would end up being a revolutionary, and that the nudity would be used to show the denigration and degradation."

"And I was like, 'Yeah, that's a reason to get naked'."

"I had no idea how ambitious, daring and brave it would be. I haven't felt this excited about a show since I can even remember."

The last episode saw Maeve and the fellow robots take bloody revenge on the park's human guests and this series is set to pick up where the first one left off.

Hit series *Westworld* isn't the only sci-fi role Thandie has lined up this year as she's also got a huge role in this year's *Star Wars* movie *Solo*.

## Mummy 'is the daddy of dynasty'

THE discovery in Iran of a mummified body near the site of a former royal mausoleum has raised speculation it could be the remains of the late Reza Shah Pahlavi, founder of the Pahlavi dynasty.

Hassan Khalilabadi, the head of Tehran city council's cultural heritage and tourism committee, said it is "possible" the mummy is Reza Shah.

The body was discovered during construction work at a Shiite shrine in Tehran, Mr Khalilabadi told the state-run IRNA news agency.

Reza Shah pushed to modernise Iran before being deposed and dying in exile during the Second World War.

His son, Mohammad Reza Shah, became Iran's last shah before the 1979 Islamic Revolution installed the country's Shiite-dominated theocracy.

His grandson, the US-based exiled Crown Prince Reza Pahlavi, warned Iran on Twitter "not to hide anything".

## RACHEL REVEALS BUMHOLE ON COUNTDOWN!

**STRICTLY** dancer Pasha Kovalev left his *Countdown* girlfriend Rachel Riley red-faced when he made her reveal a **BUMHOLE** during a recording of the C4 gameshow!

Faced with the letters H.M.W.O. I.U.E.B. and L, Pasha managed to find a word worth seven points as he sat alongside Susie Dent in Dictionary Corner.

The solution Pasha served up had Rachel blushing, as he proclaimed it was "bumhole".

Taking to Twitter after the show aired, Rachel revealed much of her laughter had been left on the cutting room floor.

"When your boyfriend spots an opening to play a cheeky seven, I may

By **BARNEY SAMUELS** [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

have been laughing too much for the board shot to make the edit #BUMHOLE," she wrote.

Posting a video of the moment, Rachel tweeted: "Can't take @Pasha-Kovalev anywhere. This was supposed to be the clean version of the show!

"One day I'll grow up enough not to laugh at this, but for now, it's officially funny [sic]," she added.

Last time Pasha was on the show, he offered up the word 'phallus' as a solution to one of the puzzles.

One fan said: "If I were Pasha, Rachel's little bumhole would be on my mind all the time. I bet it smells like lemon."

Pasha and Rachel became an item after they were partnered during the 2013 series of *Strictly Come Dancing*.

Alice, 24, said: "There are some down sides to having such big boobs.

"Funny that, isn't it?"

# The best place for sex? It's got to be Bonkaster!

**Joanna Greenhill says...**

I've been to Doncaster and I didn't think that would be the sex capital of the UK - maybe I need to visit again and try out a few men there!

**Su Bailey says...**

I'm not surprised people in the North came out on top, Northern men are way more rough and ready and they take that into the bedroom, which makes for a real fiery bonk.

By **BECCA STUBBS**[becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

### A NEW survey reveals that people in Doncaster are getting the BEST SEX in the country.

The research rated people's sexual satisfaction around the UK and revealed that the former mining town in South Yorkshire is a hotbed of bonking joy.

With a population on 306,000, locals scored highest for levels of "sexual happiness" with one in five marking themselves 10/10 for sexual fulfilment.

A whopping 75 per cent of the adults living in Doncaster said their lives between the sheets was sensational.

Wigan came second in the poll – commissioned by Lovehoney – with 73 per cent of adults saying they had a fulfilling sex life.

Ipswich was third with a score of 72 per cent and Carlisle came in fourth with a 71 per cent score.

Crawley in West Sussex was the UK's least sexy town with just 57 per cent of residents saying they have a good sex life.

The Southern town narrowly beat Durham (59 per cent) and Shrewsbury (60 per cent) to the unwanted title of worst sex in the UK.

Lovehoney quizzed more than 9,000 people and looked at regions of Britain where people were most sexually happy.

### Maximum

People in the North East of England came out top overall with 13.2 per cent scoring themselves 10/10 for sexual happiness.

Northerners in general were confident in their sex lives with the North West also coming in second in the poll, with 12.8 per cent of residents scoring themselves 10/10.

Yorkshire and Lincolnshire came joint third with 12.7 per cent of the people satisfied between the sheets.

However, residents on the south coast of England have the least fulfilling sex lives with only 8.9 per cent giving themselves maximum marks, followed by the Scots (10.2 per cent) and people in London and the south east (10.9 per cent).

Lovehoney's Richard Longhurst said: "Congrats to the people of Doncaster who have the best sex in the UK. Now we know why Donny's most famous son, Jeremy Clarkson, always looks so pleased with himself."

We asked three *Sport* stunnas what they thought of the survey...

## Alyssa Callow says...

CRAWLEY bottom of the list? I had my best shag on a night out in Crawley – or at least I thought I did! Maybe I need to go up north and have a real good shag!

**'I wouldn't be putting on a show for the guy...I'd enjoy getting it on with a girl as much as him'**

**BUSTY Bexie Williams has confessed she's BISEXUAL - revealing her ultimate fantasy is a cheeky ménage-a-trois.**

The 32DD glamour babe admits she loves watching girl-on-girl action in porn films and wants to re-enact the kinky scenes herself.

But the gorgeous 25-year-old, from Hove, East Sussex, still loves men and reckons having a guy and a girl at

the same time is the best of both worlds.

She told the *Sport*: "I've had a few cheeky snogs with women at parties when I've had a few drinks."

### **Licked**

"I am sexually attracted to girls...I would say I'm bisexual."

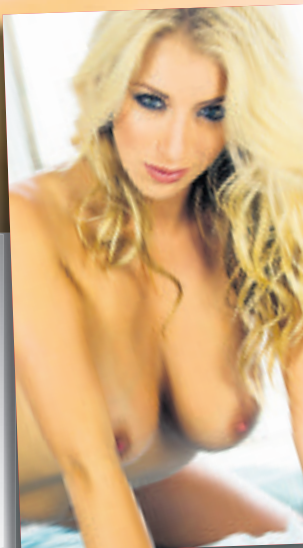

"I'd definitely be well up for a threesome with a hot guy and a smoking girl."

"I wouldn't even be putting on a show for the guy - I'd enjoy getting it on with a girl as much as him!"

"I like watching lesbian porn and there's some moves I'd try...so hot!"

And blonde bombshell Bexie added the thing that turns her on the most is having her nipples licked and sucked.

She reckons foreplay is the most important part of any bonk and said: "I love having my nipples licked. Foreplay is so important. Us girls need lots of it!"

# THE WORLD FAMOUS AGONY

## Page

Dear Kelly,

I AM a 29-year-old guy and have been with my girlfriend for five years. We have a great relationship and get on very well, when all's said and done.

We are quite adventurous in bed and that is probably one of the reasons we are still together, as I have a high sex drive and in previous relationships this has been a problem.

One of the best things about her is that she's not inhibited, like some of my previous lovers have been.

She's more than willing to dress up in kinky gear, leave the lights on and spread her legs so I can see – and of course get stuck in to – her juicy private parts.

The thing is, I have asked her many times if I can film us having sex and she is dead against it.

I really don't think she trusts me making a film and that annoys me as I thought we completely trusted each other.

Luke, London

Kelly says...

SHE'S probably worried it might end up on the internet one day. Respect that, and keep getting stuck in!

Dear Kelly,

I AM a 40-year-old woman who, even if I say so myself, is far from past it in the looks and bedroom departments.

The trouble is, I have recently split up with my husband of 10 years and I'm back on the market, as it were, without really much of a clue about today's dating scene.

There are all sorts of apps and clubs out there, things that weren't around when I was younger. It's all very confusing for someone who likes things straightforward and old fashioned.

Anyway, we had a new guy start at work about three months ago. He flirts with me a lot and he seems like a really nice bloke – as well as being very sexy.

The problem is he is 15 years younger than me. I don't think he sees this as a problem and I kind of don't, but I'm too scared to make the first move and ask him out as I'm afraid of being knocked back.

Also, I really don't want people at work to find out.

What should I do?

Penny, Luton

Kelly says...

NEVER mind worrying, or you won't be getting sex anytime soon. Go for a drink with him and take it from there.

## Has a threesome led to my wife having affair?

Dear Kelly,

I HAVE been with my wife for 11 years. We had a great relationship and were really trusting.

The problem started when we had a threesome a while ago with our next-door neighbour.

He'd been single since his wife left him, mainly because he'd been shagging about, as I understand it.

He's someone quite high up at a bank and runs a top BMW, dresses smart-casual all the time and is very friendly with everyone.

We'd gone round for a few drinks one Friday evening and he started going on about how sexy my wife looked and how lucky I was.

I don't know how the talk got round to us all having sex but I thought it might be a turn-on to see my wife getting shagged by another bloke, and she made it

clear that she was up for it to spice up our sex life.

They kissed and he was between her legs like a shot, his fingers pushing in and out of her wet hole before his thick cock was twitching between her love lips.

I undressed and positioned myself at her head, letting her suck me enthusiastically while our neighbour pumped from behind.

I have to admit, we both agreed it was a great night but a one-off.

Since then I have seen her going into his house a few times and I am convinced they're having an affair.

My wife has also been very cold to me recently and this is really starting to worry me. Have I got the wrong end of the stick.

Michael, Derby

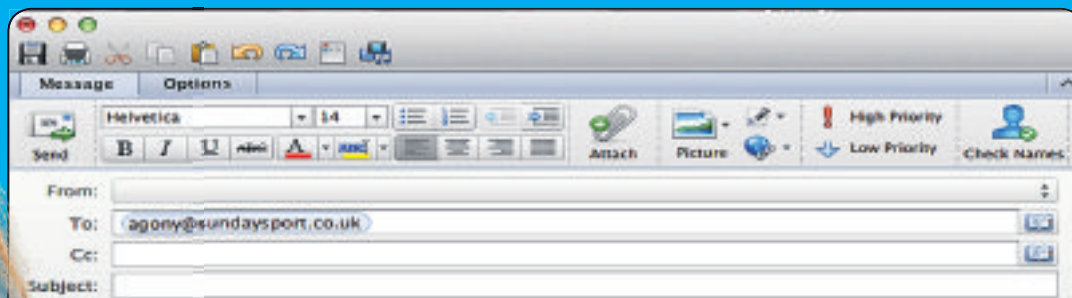

Kelly says...

VERY likely, yes. I think the sooner you have it out the better.

# I'm bedding brother's hot nymphomaniac ex

**Dear Kelly,**

**MY ex-sister-in-law is a nympho – and I love her for it!**

We have always got on very well and when my brother divorced her a few years ago I kept in touch, doing odd jobs for her.

A couple of months ago I was in a pub with pals from a new company. I was working for when she walked in and my mates, who didn't know her connection with me, were all laughing and saying how they had all shagged her.

**Rocks**

Apparently she came into their pub a lot, liked a drink and often picked up a fella for a screw.

They said she'd been doing that for years, so I thought it was now wonder that her marriage to my brother hit the rocks.

I felt a bit sick for him, but then, I'd known that he was always putting it about a bit and I'd often been asked to cover up for him when he'd brought a woman home to my place.

At that point I had never had a sexual relationship with her, even

though I had always secretly fancied the arse off her.

When she spotted us, she came over and I ended up going home with her in a taxi. I told her what my pals had said in the boozier and asked if it was true, and she confessed that she was a sex maniac.

First I kissed her and felt her tits, and then I stuck my hand up her skirt.

She parted her legs so I could ease aside her knickers and slip a couple of fingers into her.

When the taxi pulled up I paid the driver and we ran into the house and straight up to bed, where I was soon shagging the arse off her.

She was amazing as she clawed my back, and in the frenzy I soon shot my load. But she was far from done, and turned me over so she could ride me until she climaxed with a scream.

Do you think this girl is a slut?

*BY, East London*

**Kelly says...**

**NO**, she just likes large helpings of sex.

**Dear Kelly,**

I'm a 22-year-old customer assistant with a fairly big firm and I recently moved into a house with two other girls.

I get on well with both of them but the older one, a stunning blonde, has developed an unhealthy fascination with my 36D boobs.

She's got less up top than I have and often comes into the bathroom to gaze at me in the shower on the pretext of asking me some irrelevant question.

Now she's started fondling them, just walking up while I'm drying myself and stroking them.

I'm pretty sure she's not a lesbo because she has got a hunk of a fella and I often hear them at it all night, but I don't know what to do about her.

*GT, Middlesex*

**Kelly says...**

**LOCK** the bathroom door, unless you like it!

**Dear Kelly,**

I HAVE been with my boyfriend for 10 months and we are getting on really well. We have a great relationship and the sex is great.

It's surprising really because the two of us come from completely different backgrounds. He had a really privileged upbringing, whereas I did not – I was brought up by my mum on an estate in a part of the city that's always been known as being rough.

He drove me out into the country a week or so ago to his family's home and I met his mother for the first time.

It was not the pleasant and happy experience I had hoped it would be. She completely looked down on me and made it clear that she didn't want me to be with her son. And when he was out of earshot she made really nasty remarks about how she'd hoped her son would have better taste.

I am tempted to tell him, but I am worried that this may cause a row, either between us or him and his mother. What should I do for the best?

*Laura, London*

**Kelly says...**

**IF** the sex is still good and you get on well with your fella, forget it – it's her problem, not yours.

## Young love's pal is keen on me too

**Dear Kelly,**

MY partner is a top class girl and we have the best relationship ever.

I am a 45-year-old guy and have been with her for seven months. She's 10 years younger than me but I've kept myself fit and our sex life is fantastic. Honestly, I've done more in the bedroom since I've been with her than in all the relationships I've had in the past up till her, it would take too long to reel off the sort of things we've done together.

I have had bad relationships in the past and she is a real breath of fresh air for me.

I met her friends for the first time about a month ago and they seemed quite sweet, though of course their talk was of things I didn't quite get. I did get the impression, though, that my girl had been telling them about me and her and our bedroom antics.

The problem is, I thought one of them was trying it on with me. I ignored it and when I saw her pals again last week this girl made it quite clear that she was interested.

I am flattered and tempted but I would never do that and I am really keen to tell my girl, but I don't want to cause any trouble with her friends.

*Jake, Kent*

**Kelly says...**

**I THINK** you need to tell her. Her friend shouldn't be doing this, it's not a friendly thing to do. Or, you could get stuck in and pray you get away with it.

## SARAH MAXWELL

JOINER Fred Burns wrote in asking for a topless photo of his favourite *Sport* glamour girl, Sarah Maxwell.

The 54-year-old, from Manchester, says Sarah, 31, is a real scorcher and wants a new photo for his garage.

Fred said: "I've kept a photo of Sarah for ages, but I need a new one as it's getting a bit tatty and her 32C's aren't as clear as they used to be."

"She's a beauty, and a fellow Mancunian too. "I keep a photo of her in the garage just to show the lads how fit she is when they come round."

## SAM KING

IT TECHNICIAN George Kenyon has his eye on blonde bombshell Sam King and begged for a sexy snap of her.

Brummie George, 31, reckons there's no girl fitter than *Sport* stunna Sam and says the 26-year-old Romford, Essex-born babe is perfect.

He said: "I saw Sam in the paper a few years ago and she's been in a couple of times since, but not as much as I'd like!"

"I'd have her in every week, flaunting those 32C's."

"Can I please have a photo of her, I've been dying to see her again."

## SYLVIA SAINT

TOPLESS babe Sylvia Saint is the world's fittest blonde, according to superfan Dave Greaves.

The 36-year-old fella, from Brentwood, Essex, is currently unemployed but spends his days ogling 27-year-old Sylvia and her 32E norks.

Dave says he's Sylvia's biggest fan and is constantly trying to catch a glimpse of the model in her home town of Colchester, Essex.

He said: "Colchester isn't too far from me and I often go there for one reason or another. One day I might even spot Sylvia – she's a total babe"

# STORMY DANIELS

It cost Donald \$130,000 (allegedly) but you can enjoy her for just £15!

**PORN** superstar Stormy Daniels finally broke her silence – and possibly a legal agreement – to spill the dirt on Donald Trump spilling his muck!

The writer, director and star of dozens of hardcore movies told of her night of passion with the President of the United States and, frankly, didn't seem that impressed.

At the time she was in her prime at 27, while he was 60 and probably couldn't believe his good luck!

It was bad enough that he was married with a son on the way at the time but when it looked like he was heading for the White House the lawyers got involved and Stormy got her \$130,000 to keep her trap shut.

But that's all for Donald to sort out. What we really care about is Stormy.

## Amazing

You'll have seen her looking demure as she was being interviewed but you want to see her in action, right? You want to see her with a c\*\*\* in each hand and another deep inside her?

Well, here's your chance!

Operation: Tropical Stormy is the woman born Stephanie Clifford in Louisiana at the top of her game in a big budget seaboard adventure. The f\*\*\*ing scenes are just SEXsational and you'll watch them over and over again.

This 3DVD box set would normally cost you £25 in a licensed sex shop – the only place in the UK you can buy genuine hardcore porn – but

if you take a copy of the Sport to any of the Private shops listed on this page you'll only have to pay £15! So, if you want to see Stormy taking some massive meat you know what to do!

**Sorry Donald, yours is nowhere near as big as the ones here!**

# Hundred ain't a load of balls for skipper

## ROOT GIVES HIS BACKING TO NEW SHORTER FORMAT GAME

**BACKING:**  
Root is happy  
with the new  
100-ball  
competition

**JOE ROOT says the new 100-ball competition could actually SAVE Test cricket.**

England's five-day skipper is not concerned that the quick format will mean even fewer players know how to play "the proper game".

Instead he thinks it will open the door to a whole new audience who may then give Test matches a try.

While attendances are good in England for the long format game, around the world the five days are played out in front of one

man and his dog as Twenty20 has become so popular.

The England Wales Cricket Board want to bring some of that excitement to the domestic game after the success of the Big Bash in Australia and the Indian Premier League.

The 100-ball format will feature 15 standard overs with a final 10-ball over to finish the innings.

They are hoping to bring in more kids and women to watch.

It won't be counties playing. Instead, teams will be

based around the Test match grounds. There is likely to be an auction with the best players from around the world coming over for the five-week tournament.

While many think the idea is crackers, Root is hopeful that it will be a major success.

### Careful

He said: "It's going to appeal to a completely new audience and I think that's great."

"The more people and kids we can get into sport, the better."

"We've got to be very care-

ful we don't measure it against the other formats because it's something to gather a new audience and gain interest, not a threat to other formats."

"As players, working with the ICC, we've got to make sure the other formats don't suffer but it has a place in the game and, hopefully, we'll see that over time."

Root can see why critics are worried that the even shorter format than Twenty20 will turn people off to longer forms of the game.

Even a 50-over match seems to drag on compared

to the crash, bang, wallop of the matches that can be wrapped up in less than three hours — ideal for television coverage.

Root added: "There will be people that compare it to Twenty20 and worry it might take away interest from Test cricket, but it's important to remember it will bring new people to the game."

"It might be someone who didn't know much about the game before and then goes on to watch a Test match and gets immersed in that. That's the way I'd like to look at it."

**OFFLINE:** Judd Trump

## Trump admits he was a Twit

### SNOOKER

**JUDD Trump** says he's grown up on and off the table — and banning himself from social media proves it.

The 28-year-old has never really fulfilled his potential with critics saying he's more bothered about being a showman than a cuman.

Trump has taken himself off Twitter and Instagram and says he's concentrating 100% on what happens on the table rather than off it.

He used to even send out tweets while playing in matches.

He shot to fame way back in 2011 when making the final at the Crucible.

After that it looked to be only a matter of time before his name would be etched on the famous trophy.

It hasn't happened but Trump is determined to prove that he is finally focussed.

He said: "I think I've just grown up and you try not to take notice of other people's opinions too much."

### Phone

"A lot of time was spent on it, a little too much, and now I'm able to live my life and not depend on what other people are saying to me."

"I'm the same as any other person my age who's grown up with it, I'd always be checking my phone after every couple of frames and it was just a bit of a hindrance."

"At some point I'll go back on, but at the moment I'm happy standing in the background and seeing what else is going on."

"It was my decision. My manager probably wants me to go back on because maybe it's good to interact with fans, and I possibly will between games, but after what's happened here in the past during games I don't think there'll be any tweets in matches this time."

"It's given me more time to practise and be out there in the moment, and work on myself. I've practised very hard for this event and I'm more than ready."

Meanwhile, Ding Junhui booked his place in the second round with a convincing 10-3 win against Xiao Guodong.

# THE WINNING POST

## Bee can sting bookies

**TODAY'S first meeting at Epsom is always an informative event and there are some good races to get stuck into again this year.**

The Derby trial is always an intriguing contest and has been farmed by John Gosden in recent years but I think this year's contest may go elsewhere.

Being the Chairman of the Found fan club I find it hard to back against her full brother James Cook but I can't get away from DEE EX BEE (NAP) at a bigger price.

Being a Mark Johnston inmate he is incredibly tough and has already experienced the undulations of this unique course as a two-year-old which bodes well.

His two main rivals, more notably James Cook, have nowhere near the same experience as him and will no doubt

By **BEN MORGAN**

be doing his learning on the job.

I envisage that whilst James Cook is getting on an even keel, Dee Ex Bee can pinch a few lengths out of the field and before Ryan Moore gets a tune out of his mount, James Doyle would have stolen the race.

With this said though, I expect James Cook, given time, to turn out to be a classy individual.

Ryan Moore's presence aboard SHABBAH is eye catching and he could well start out a decent price.

A frustrating sort when trained by Sir Michael Stoute, who promised so much more than he delivered, Joseph Tuite has now got the job of reinvigorating him and there was promise on his first start for new connections.

With Fire Fighting keeping the weights down, and provid- ing he builds on his opening

run, he looks to have solid each way claims.

The 3.55 looks to be between two unexposed four-year-olds and my preference is for CON- TANGO. Andrew Balding's son of Casamento was progressive last year and should arguably be unbeaten had it not been for a questionable ride last time out. Connections have obviously had to be patient with him but such patience could reap many rewards this year if he continues on the upward curve he is currently on.

At Perth, Nigel Twiston- Davies is well represented and his BLUE FLIGHT looks to have leading claims in the opener. Slowly progressing over hurdles, he has plenty of improvement to come and there is a theory he will appreciate this better ground and drop in trip.

**WE GO AGAIN:** Bartley isn't worried about the City loss

# Bartley bites back after City disaster

SWANSEA CITY

KYLE Bartley insists the Swans have not had their wings clipped after being battered 5-0 by Manchester City last week.

The strugglers have another tricky test at home to Chelsea in Saturday's early-evening match.

It was Swansea's worst result under Carlos Carvalhal and keeps them right in the fight for survival. But Bartley is adamant there will be no hangover.

The centre-back said: "The important games are still to come for us and we are focused on those now."

"We can't let defeat at Manchester City dent our confidence because we have been on a good run of form."

"We must move on and look ahead. We have four massive games coming up and three of those are at home. We refocus and go again."

## Fantastic

Bartley admits it was a poor display against the champions-elect but it doesn't mean the wheels have come off for the Swans.

He is determined to get back on track straight away against Antonio Conte's men who are still chasing a top-four finish.

He added: "You never want to concede as many goals as we did up there or get beaten in the way we did."

"City were fantastic – they have shown all season that they are on a different level to every team in the league. We knew it was going to be

**FIRST SETBACK:** Carvalhal difficult to get anything. We wanted to give it a go but we fell short.

"But there are not many teams who go to the Eithad and get anything, and we are thinking about what comes next for us."

Carvalhal is banking on a return to the Liberty Stadium working wonders on his troops.

After Chelsea, they take on fellow strugglers Stoke and Southampton on their own turf.

Carvalhal believes that will be the key to survival. He said: "At the Liberty, we have a different face – this is the reality."

"We know where we are, we know what we have done and we know exactly what we can do. We will continue on our path. We will be ready."

"Now we have four games to play – some clubs near us have three. We haven't got easy games, but it is all in our hands."

Swansea will also be boosted by the likely return of Luciano Narsingh from his ankle injury.

# LATEST NEWS ON THE BATTLE TO

# JAKE'S P

**Livermore says Baggies are a different team with Moore in charge**

**JAKE Livermore says West Brom will keep fighting until the last kick of the season.**

The Baggies midfielder scored his first goal for the club in their comeback draw against Liverpool at the weekend.

They trailed the Reds 2-0 late on before battling for a point.

That gave them a fragile lifeline going into the final three games of the season.

They must win them all and hope other results go their way.

While that doesn't seem

By ANDY MILLOM

likely, Livermore has promised the passionate Albion fans that the players won't give up.

They have been lifted by the departure of Alan Pardew with interim boss Darren Moore boosting everyone at the club.

Livermore said: "The message to the fans is thank you."

"They've been absolutely brilliant in a tough period for us."

"I don't know what people see in footballers sometimes, but we're all human beings

just trying to work for each other."

"We've all got friends at the club who, if things go wrong, it's going to affect them."

"We've all got families, we live in the area, it's not good for any of us."

"But we will keep fighting for the supporters."

## Grateful

"They got us back into that Liverpool game, the way they never stopped. We conceded early and they never shut up."

"It really does give the lads a lift, I think I speak for the rest of the boys when I say we're grateful for the support

we get from the stands in every game."

Livermore was one of the senior players accused of stealing a taxi while on a "training trip" to Barcelona.

But his performances have improved since Moore took the reins at the Hawthorns.

The 28-year-old England international said: "All season it's never been through the lack of trying or the lack of wanting it, maybe just confidence and that resilience which sometimes you lose in the transition of managers."

"Maybe that spark when there is a change gives you

that subconscious lift. We're trying our best.  
"Hopefully we can get a few more results."

"The boys have been fantastic all year and credit to them because they've really worked their socks off at the front."

## Incident

West Brom have been boosted after Ahmed Hegazi escaped a ban for appearing to punch Liverpool's Danny Ings at the weekend.

An FA panel watched footage of the incident after referee Stuart Attwell missed it in real-time. It appeared to

be blatant and the Egyptian defender was facing a three-game ban.

But the panel made up of former referees couldn't agree whether he did it on purpose so no further action will be taken against the central defender who has been one of Albion's best players.

Kop boss Jurgen Klopp will be fuming as he said after the game: "Hegazi on Ings, it is a red card."

"You see it, I see it, but that's not important. It is only important what three or four gentleman with a whistle say about it. So we cannot change."

**NO TRIP TO  
JOB CENTRE:**  
Paul Lambert

## Lambert will keep his job despite drop

### STOKE CITY

**PAUL Lambert** will keep his job as Potters boss even if they fall into the Championship.

Time is running out for Stoke to save their Premier League lives. They sit second from bottom with 29 points, four behind Swansea who have four games left compared to their three.

With just six wins all season, it looks a tall order to pick up at least two but they do face the Swans on the final game of the season which gives them hope.

Whatever happens it looks as though the Scot will be in the hotseat at the start of next season.

Stoke chairman Peter Coates said: "Paul is under contract and there are no plans to change."

"We haven't been winning games because we haven't been scoring goals. It's not his fault that we haven't got a goalscorer."

### Spend

"You must remember we had Jese at great cost and Saido Berahino at great cost, but they haven't performed for us."

Coates has defended the club's transfer policy, saying they did their best to buy goal power in January.

He added: "We did try to strengthen again in January, it wasn't something we were unaware of, but football is more complicated than that."

"We tried to spend money, but for whatever

reason we weren't successful. Good strikers who will make a difference are not easy to find, as anyone in football will tell you."

"We tried to sign Daniel Sturridge from Liverpool for example, but he preferred West Bromwich Albion because he wanted to move to that area."

"We tried for Danny Ings, but once they let Sturridge go they wouldn't let him go."

Coates clearly believes Lambert deserves a chance to bring Stoke straight back up.

He added: "Every manager makes mistakes, and always will, but obviously you have to try and minimise those mistakes."

"We will review everything, but at the moment there are no plans to change the process."

"If we do get relegated, and it is still an if at the moment, we will only have one focus and that is getting straight back. It is a big challenge, but we are up for it."

# I'm really Bayern into a draw

**SUPERSTAR:**  
Ronaldo is in  
great form

**BAYERN Munich and Real Madrid meet in Germany for the 25th time in European competition this evening and, historically, there is nothing between the sides with 11 wins apiece and two draws.**

That said Real — holders of the Champions League — have won each of the last five games between these great clubs all coming in the knockout stages of the Champions League.

The last two ties at the Allianz Arena have been won by Real — 4-0 in the 2014 semi and 2-1 in last year's quarterfinal — and on both occasions the Whites have gone on to lift the Trophy.

Bayern are Even money at BetVictor to take a lead to the Spanish capital next Tuesday with Los Blancos 13/5 and the draw at 29/10.

The Bavarian giants will be well aware of the threat of Cristiano Ronaldo who has scored in his last 11 CL ties.

When you consider the quality of opposition, this is an almost extraordinary feat and one that may never be broken in the history of the competition.

CR7 is 23/20 to find the back of the Bayern net this evening with Robert Lewandowski 5/6 — I cannot split the sides and

## IT LOOKS TIGHT IN BAVARIA

hope to see a scoring draw, which is priced at 18/5 with BetVictor.

Arsenal have never met Atletico Madrid in European competition but the Gunners have a great record in European competition semi-finals qualifying from six of their previous seven.

Arsene Wenger's side are 29/20 to take a lead back to the Spanish capital next month with Atleti 15/8 and the draw at 23/10.

Arsenal are 11/8 to qualify for the final in Lyon next month at BetVictor and some may suggest they need to take a lead back to the Wanda Metropolitano but I would want a clean sheet.

The Spanish side have kept a clean sheet in their last 11 games at home in all competitions but Chelsea beat them in Madrid in the group stages of the competition earlier in the season and I just feel Arsenal can do it.

Ahead of tomorrow's semi-final first legs Atletico are 5/4 favourites for the Europa League with Arsenal 7/2, Marseille 4s and

Salzburg 13/2 which suggests the winners of the Arsenal tie will be heavy favourites in France next month.

★ Today's Punchestown Gold Cup is the highlight of the five-day Irish racing Festival although the first three home in last month's Cheltenham Gold Cup are missing and it wouldn't be the highest quality renewal of this valuable and prestigious contest.

At the time of writing, the rain has returned to the Dublin area and it looks as if conditions are likely to be no better than soft for today's card.

Willie Mullins saddles four and Bellshill is favoured in the market (9/2 at BetVictor) but I just favour Djakadam (5.30) of the trainer's quarter and hope he can make it fourth time luck in the race having finished second on the last three renewals.

The selection is 11/2 with BetVictor and travelled well until a bad mistake three out when fifth in the Gold Cup.

Noel Meade's Road To Re-

spect won the Christmas Chase at Leopardstown before finishing fourth in the Gold Cup and that is the best form on offer.

The favourite has shown a tendency to jump slightly out to his left, however, on occasions and I hope Djakadam can finally land the big race he deserves.

Like many, I am looking forward to seeing Mullins' Next Destination (4.55) step up to three miles for the first time.

He stayed on well to finish third to Samcro and Black Op — subsequent Aintree Grade 1 winner — in the Ballymore at Cheltenham last month.

The selection has yet to prove he stays three miles but he races as if he will improve for the additional distance and he is a confident selection at 7/4 with BetVictor.

Albert Bartlett winner Kilbriken Storm (4/1) looks the one to beat although Pertemps Hurdle winner Delta Work will also have his followers.

**HOME TIME:**  
Llorente would  
like a Bilbao  
reunion

## Please let me Fernand-go back to Bibao

**FERNANDO Llorente** has told Tottenham he wants to leave the club this summer.

The 33-year-old has been little more than a bit-part player since moving to north London from Swansea right on summer deadline day.

Llorente would like to go home to Athletic Bilbao where he spent 12 years before a big-money move to Juventus in 2013.

They would be happy to take the big striker back provided Spurs don't act for a big fee. That's unlikely because the Spaniard has fallen out of favour with Tottenham boss Mauricio Pochettino.

He has made just one Premier League start this season and wasn't even considered when Harry Kane was out injured.

Llorente has made it clear where he wants to go when the transfer window opens again.

### Heart

He said: "Athletic Club are my home and if they make an offer, a return could happen."

"I enjoyed many wonderful moments at the club that I will never forget and Athletic will always hold a special place in my heart."

"If they do make me a proposal to come back, then I would have to think about it and yes, maybe it could happen."

Tottenham have to sort out the future of another striker — Vincent Janssen.

He had trouble hitting the target for Spurs and has been on loan in Turkey

**WANTED: Rose**

at Fenerbahce where he has scored just three times in 14 appearances.

The Dutch international is still only 23 and could have a future with the Londoners.

Spurs could also see players leaving at the other end of the pitch with Manchester United likely to come back in for left-back Danny Rose.

He has struggled to kick Ben Davies out of the team since coming back from a bad knee injury that kept him out for months.

City were also sniffing around last summer and there could be a bidding war for the 27-year-old.

He has made critical comments about boss Pochettino and that may be why he has played just 14 times this season.

Just seven of his starts have come in the Premier League and Spurs could cash in at around the £40m mark.

United are looking to replace left-backs Ashley Ward and Antonio Valencia who are both in their 30s.

# LATEST ON THE UNREST AT GOODISON PARK

# SURVEY SAYS SHUT IT!

**It's time to put nonsense in past booms Big Sam**

**EVERTON boss Sam Allardyce is doing his best to move on from the survey scandal at Goodison Park.**

The former England gaffer is seething that the home fans were asked by the club to rate the performance of the coaching staff.

Despite beating Newcastle 1-0 at home on Monday night, there was still a poisonous atmosphere among the faithful. Banner of the night read "Our survey says — get out of our club."

Allardyce hopes the victory over the Toon — which lifted Everton into the top eight — will lift the gloom around the place.

Big Sam said: "The controversy was caused by an error by one of our employees, which he obviously realises wasn't the right thing to do."

"You get that bit of controversy and I think as a manager you just deal with it and move on."

"I don't dwell on it. We've moved on. I've got no gripes against who did it, it's gone, let's not let it happen again, let's move forward."

"But the players did all the talking, I'm glad to say, by winning the game again at home and putting us up to eighth place and hopefully we will finish this season as strong as we possibly can."

Evertonians are fed up of the brand of football being played under Allardyce. Theo Walcott's

By MARK NAYLOR

winner against Rafa Benitez's men was the only effort on target by the home side all night.

Allardyce said: "I think up to 75 minutes, excellent. And then we had to do a little bit of desperate defending to secure the victory that we deserved."

"Breaking down a very stubborn Newcastle defence, with all players in their own half trying to suck you in and hit you on the break, was difficult. Finally we did it."

"Theo's come up with his third goal since he arrived and it was the winner. I'm pleased for him and pleased for the team."

## Cheer

Allardyce has also backed Morgan Schneiderlin to find his best form for the Toffees.

He said: "Sooner or later he has to find himself from where he used to be."

"Sometimes it takes a while to find yourself after, I think, probably a disappointing move that didn't work at Man United."

There was some cheer for the home side as they enjoyed putting one over on former Liverpool manager Benitez.

The Spaniard has had a great season in the north-east and had all but secured the club's place in the division for next season.

Benitez said: "To be here, to play against this team and to expect you have to beat them easily, it's impossible."

"They have very good players and they can make the difference."

"We battled, we fought to the end, we had the chance to draw but we lost against a good team."

**BIG BACKING:** Schneiderlin

**ANGRY:** Big Sam could do without any more club surveys

PLAYER OF YEAR: Kirby

## Fran-tastic Kirby is double champion

**CHELSEA and England striker Fran Kirby is the double women's player of the year.**

The 24-year-old had already picked up the PFA award. Now she's added the first-ever football writers' award to her tally.

She got more than 50% of the vote from the journalists ahead of Jodie Taylor who finished second.

England stars Lucy Bronze, Izzy Christiansen and Jordan Nobbs made up the rest of the shortlist.

Kirby said: "I was really proud to be nominated in the first place but to actually win is a real honour."

To be the first recipient of this honour and award is so special.

"Thank you to all those who had voted for me, and to the FWA for introducing a women's award. It shows how far women's football has come."

FWA chairman Patrick Barclay said of Kirby's win: "I can't help thinking of our first Footballer Of The Year vote back in 1947, when the winner was one of England's most admired players of all time, Sir Stanley Matthews."

"Now, after Stan, comes Fran — she'll always be first in what will become a long list of Women's Footballers Of The Year."

Chelsea are having a stellar season in the women's game.

They are going for the Super League title and will take on Arsenal in the FA Cup final on May 5. They are still in the Champions League semis too.

# CAHILL TARGETS LIONS RETURN

**GARY Cahill is targeting a place in England's World Cup squad after battling back into the Chelsea team.**

The centre-back was recalled by boss Antonio Conte for the FA Cup semi-final win against Southampton at the weekend.

After years as a stalwart for club and country, he has fallen out of favour on both fronts this season.

Cahill knows Russia this summer could well be his final chance of going to a major finals and he doesn't want to miss out.

The 32-year-old said: "Everything is a possibility when you're playing, hence why I'm

By ANDY MILLOM

happy to be back out there for Chelsea.

"Let's see what happens at the end of the season. We're in the FA Cup final now, the World Cup is coming. Let's wait and see."

Cahill has clearly been shocked by being dropped by the Stamford Bridge boss.

The same fate has happened to David Luiz who he partnered to the title win last season.

The former Bolton stopper is taking it on the chin and just wants to get on with playing football.

He added: "I've always said

the same thing. Whenever I've been out of the team, you don't just disappear, you don't just turn into a bad player overnight."

"Form, if you ride it out, you come back to the level you should be at."

## Decisions

"I thought I played well against Southampton, I thought I did well against Burnley, and you can do as much running as you want but to get match fit, match sharp, you need to be out there."

"I realise that is the situation with everybody. I realise the manager has decisions to make."

"I realise maybe I'm not

getting any younger as a player as well."

"I'm fit, I'm ready to go. I don't feel like, in a weird way, that I need to prove anything. I've done it before, time and time again."

"I'm just happy to be out there and enjoying it. More than trying to prove anything, just being out there and enjoying doing one of the best jobs in the world, which is playing football."

"If I'm happy with the way I'm playing that is good enough for me because I know I am at the right level where I should be. I'm my own worst critic when I'm playing and I'm happy I had a solid game."

**BACK IN THE FOLD:** Cahill is targeting the World Cup

TURIN TIP: Conte

## Conte in frame for Juventus reunion

JUVENTUS and Chelsea look set to swap managers this summer.

The Italian giants want Antonio Conte back – and he would jump at the chance to go home.

At the same time, the Blues are looking for a young boss who would be happy working under a director of football.

Current Juventus gaffer Max Allegri fits that bill perfectly.

The clubs could come to an arrangement that means there would be no massive compensation payments for either to pay.

It was thought that Conte could take over as Italy national team manager again.

But it looks as though Carlo Ancelotti is getting that gig.

He is also being linked with Arsenal and the Italian FA are trying to step back from reports that they have offered the former Chelsea and AC Milan gaffer the job.

Officials met with Ancelotti in a Rome hotel on Monday night.

Reports suggested that he had been offered the post and had even talked about the coaching staff he would like to bring in.

### Joked

But Italian FA official Alessandro Costacurta – a former team-mate of Ancelotti – says it was just a social meeting.

He added: "I always stay in that hotel and we found each other there. We did not talk about the job, we only joked about the opportunity."

"You have to talk about many things, programme and finances, but we could not talk about them."

"Since we are loyal to the rules, we talked about something else."

"It is true, there is a vision that could see Carlo, like others, on the bench of the national team, but the rules are important and we must follow them."

"The deadline is May 20 and you know I wouldn't go against the rules."

"Unfortunately we spoke about something else at the hotel."

"There will be an official meeting with Ancelotti but I still do not know when."

"We need people who are available, we cannot get close to contracted coaches. This is the problem."

Conte is thought to have had enough at Stamford Bridge because the club won't buy the players he wants.

# LUIS THE KING OF EMIRATES

## Former Barca gaffer Enrique in pole position to be next Gunners manager

**LUIS Enrique has become the strong favourite to take over from Arsene Wenger at the Emirates.**

The Spaniard has been backed into just 7/4 for the Arsenal hotseat.

One of the main reasons for that is Carlo Ancelotti being offered the Italian national job.

The former Chelsea chief was thought by many to be the ideal choice to take the helm.

But it appears that his country has come calling

By JOHN ANTHONY

and he's out of the Arsenal running.

That has left the way open for Enrique, who has ticks in all the right boxes.

First of all, he is unemployed at the moment which means there wouldn't be a release fee to pay.

Secondly, Enrique has a track record of success from his time with Barcelona.

Granted, he had some of the world's best players at his disposal.

But he still led them to nine trophies in his nine

years in charge at the Nou Camp.

Many observers believe his team was more attractive than Pep Guardiola's.

They won two La Liga titles and a Champions League so he more than has the pedigree to take over at the Gunners.

### Signing

Enrique's arrival in north London could trigger a move for some current Barcelona players.

Although he's knocking on now, Andres Iniesta could be his first signing should he take the job. Manchester

City and assorted Chinese and American clubs are interested too but London would be a big pull for the little playmaker.

Reports in Spain suggest 47-year-old Enrique is ready for a new challenge and would jump at the chance of joining the Gunners.

Amazingly, he doesn't have an agent but has thought to have made personal contact with Arsenal.

He is also the first choice of the club's new head of football relations, Raul Sanllehi.

Having just been brought to the club, he is likely to

have a massive say in who the next manager will be.

Sanllehi had a similar role at Barcelona when Enrique was manager there and they would be a perfect fit again.

With Ancelotti seemingly out of the way, Arsenal would have to take more of a chance if they don't go for the Spaniard.

### Faith

Mikel Arteta is the man chairman Ivan Gazidis would like in charge.

It would take a massive leap of faith for the club to appoint their former midfielder to his first ever

# RS FOR THE ARSENAL HOTSEAT

**SUCCESS:** Enrique won the Champions League as Barcelona gaffer

managerial post. He is sure to be learning plenty as part of Guardiola's coaching staff at Manchester City.

But he's not been there long and, although his style of play would suit the Gunners, it's hard to see them taking such a big chance.

There has been money for Germany coach Joachim Loew too.

He has had massive success with Der Mannschaft, leading them to World Cup glory.

That pedigree cannot be denied but he had mixed success when a club manager before moving to the national

team in 2004. He managed to win the Austrian title with Tirol Innsbruck but struggled during his time in Turkey and later with Austria Vienna.

He's not the kind of appointment that would get the fans' pulse racing either.

## Kitty

One problem Arsenal could have in attracting their new boss is a relatively small transfer kitty.

Emirates insiders say the board are looking at a net spend of around £50million in this summer's transfer window.

That is peanuts in the mod-

ern market but reflects how much cash notoriously tight Arse actually splashed over the past 12 months.

They shelled out more than £100m on Lyon's Alexandre Lacazette and Pierre-Emerick Aubameyang from Borussia Dortmund.

Then there was a mega contract signed by Mesut Ozil to keep him at the club.

On the plus side, the new gaffer shouldn't have to bring in more strikers.

But there's major surgery needed on the midfield and defence and that budget won't stretch too far in the current climate.

**SHORTLIST:** Arteta

**ENGLAND WISH:** Wenger

## Lions dream for Wenger

**ARSENE** Wenger has identified his dream job after stepping down at Arsenal — England manager!

The Frenchman has spent 22 years in north London and would love to put that experience to good use with the Three Lions.

He says he won't retire at the age of 68 — but another club job doesn't seem on the agenda.

Instead he has a burning desire to take over the national team in his adopted country.

Reports in France from those close to Wenger suggest he would love a big nation with a big history — and England are the ideal choice.

Didier Deschamps has two more years to run on his deal as France boss and that's one possibility.

## Option

But if England come up short at the World Cup in Russia, the FA could decide that Gareth Southgate would be better off going upstairs.

That would leave the way open for Wenger to step in and the bookies certainly aren't ruling it out. It is as low as 10/1 that England is the next team he manages.

The Three Lions will not be his only option and, should he opt for another club, Paris St Germain are favourites at 5/2 along with any team in Chinese football, which seems unlikely.
